Employee Engagement Survey

1 flagged, 84.85%

On a scale of 1 to 10, how happy are you in your job?

8
From 1 to 10

Do you feel valued in your job?

Yes

Are your day-to-day responsibilities clearly defined to you?

Yes

Do you receive recognition from your manager?

Yes

In fact, I become a bit overwhelmed at times due to the many recognitions I receive from my manager. I mean, this is something new to me as even the things I consider "little" that I do in my work get recognized as valuable contributions to the team's achievements. I appreciate this so much and keeps me motivated to always meet and surpass what's expected of me.

How frequently do you get recognition?

Always!

On a scale of 1 to 10, how well does your manager communicate with you and your colleagues about projects?

8
From 1 to 10

Are you given the information, tools, and technologies you need to do your job properly?

Yes

Are management decisions transparent and explained?

Yes

Do you feel like your manager values your feedback?

Yes

On a scale of 1 to 10, how comfortable are you providing feedback to your managers?

9
From 1 to 10

Do you feel like your manager is fully aware of your skills and abilities?

Yes

Do you ever feel overworked?

No

Do you have a clear idea of how you will progress in this company?

Yes

In fact, we were provided with this updated Career Progression structure that our Manager and Marketing Head prepared for us. This document helps us keep track of where we're currently in and where we're headed.

On a scale of 1 to 10, how engaged is your manager with you and your team?

8
From 1 to 10

Does your manager promote a positive work environment?

Yes

Do you feel like your manager respects you and your team members?

Yes

Do your managers keep you informed about company news and developments?

Yes

Can you rate your work/life balance on a scale of 1 to 10?

8
From 1 to 10

Would you recommend a friend apply for any open position here?

Yes

Do you see yourself working here in 12 months' time?

Yes

What three words sum up the company culture?

Collaborative, open, and engaging! Really lets me test my own limits in terms of what I can do more to contribute to the team and the company as a whole :)
