

## Scissor Lift Safety Checklist

GS3205-75407 / Genie GS-2032/2632 / 22 May 2023 / Larry Hopkins

Complete

Score	79.31%	Flagged items	6	Actions	2
Site conducted					Unanswered
Model Number					Genie GS-2032/2632
Serial Number					GS3205-75407
Conducted on					22.05.2023 15:00 PST
Inspected by					Larry Hopkins
Location					Pleasant, KS, USA (37.6156909, -97.1144039)

**Flagged items & Actions**

6 flagged, 2 actions

**Flagged items**

6 flagged, 2 actions

Inspection / Operating and Emergency Controls

**Steering and components are operating properly**

Needs Attention

The steering wheel can't turn right but the left turn works fine. The hyd fluid was at the add level and I topped it off.

Inspection / Personal Protective Devices

**Housekeeping is observed in platform floor**

Needs Attention

There are still several debris left on the platform

Photo 1

Inspection / Personal Protective Devices

**Pothole protection is in proper working condition**

Needs Attention

Pothole guard is stuck

Inspection / Personal Protective Devices

**Fire extinguishers are in place and inspected regularly**

Needs Attention

Fire extinguisher in place is close to expiry

To Do | Assignee SafetyCulture Staff | Priority Low | Due 29.05.2023 18:51 PST | Created by SafetyCulture Staff

Please inspect all extinguishers in place, replace them if needed.

Inspection / Battery, Cable and Wiring Harness

**Check if in good working condition**

Needs Attention

Scissor lift has new battery but appears to be dismal. It could be poor battery maintenance, will have to check maintenance records to confirm.

To Do | Assignee SafetyCulture Staff | Priority Low | Due 29.05.2023 18:52 PST | Created by SafetyCulture Staff

Check battery maintenance record.

Inspection / Battery, Cable and Wiring Harness

**Free of excessive dirt, grease or foreign matter**

Needs Attention

Found dirt build up on batteries

---

**Other actions**

OK

## Completion

### Additional Comments

I am ruling this scissor lift as not fit for operation. This unit should be lined up for maintenance fixes.
