Driver Scorecard

10 / 13 (76.92%)

Date

4 Jul 2024 00:00 PST

Driver name

Dawood Suzana

Vehicle/s usedTruck 23
Sedan 24**Trainings attended**Basic OSHA Guidelines Training
Driving Safety: 2024
Basic Vehicle Maintenance
First Aid Training**Pre-trip Inspection**

2 / 3 (66.67%)

Does the driver inspect their vehicle before use?

Yes

Does the driver know of their vehicle's last maintenance check?

Yes

Does the driver wear the right safety gear for work?

No

Driver is not wearing the right shoes. They're wearing slippers.

While Driving

5 / 5 (100%)

Does the driver accelerate and decelerate smoothly?

Yes

Does the driver operate within the legal speed limit?

Yes

Does the driver know when to properly and safely turn on corners?

Yes

Does the driver use turn signals correctly?

Yes

Does the driver load up on fuel at the right time?

Yes

Does the driver follow the set route determined by the GPS maps?

No

Why not?

They reported the provided route is too congested with traffic, which can impact delivery time.

Does the driver check if all electronic logging devices are in good working condition?

No

Driver did not inspect before or during the trip.

Post-Trip

3 / 4 (75%)

Did the driver render the right Hours of Service required by law?

Yes

Was the driver safe from any near-misses?

Yes

Was the driver safe from any incidents or accidents?

Yes

Is the vehicle in good working condition?

Yes

Based on your evaluation, do you think the driver was properly trained for the job and no longer needs additional training?

No

Why not?

Driver needs more training on using ELDs. Might also need a warning for wrong driving shoes.

Comments from customers or passengers, if any
